Final Note by the Minister for Public Works.

Subject.—

Proposed visit to Australia of a small party of Indian Industrialists.

The Hon'ble the Resident in Mysore intimated that the Government of India intend to send a small party of Indian industrialists on a short visit to Australia during the current month for the purpose of fostering industrial contacts between the industrialists of the two countries and requested that an industrialist from the Mysore State be suggested for inclusion in the party. The

1. Mr. B. Visvanath, B.E., Director of Engineering & Chemical Industries.	Q	names as noted in the margin
2. Mr. E.V.Ganapathi Iyer, B.Sc., Controller of Civil Supplies.	Q	were suggested to him for
3. Mr. S.M. Ramakrishna Rao, B.A., (non-official)	Q	selection of one among them as a representative.

The Government of India have now intimated by telegram that they would like to include Mr. Visvanath in the party to represent Indian States. This has been agreed to with the concurrence of the Dewan. The papers are submitted for the gracious perusal of His Highness.

✓ The copy of the telegram of the 9.8.45
to Mr. Viswanath is for perusal. The Secy
I have suggested to Mr. Viswanath, that
he may see the Australian High Comm.
at Delhi. Further visit from them may be advised.

3 The points for order, are as under

(1) Permission to make a trip to Delhi
to see the High Comm., if Secy
considers it necessary.

(2) Comptroller to be authorized for an
advance of Rs 600/- for the above trip.

(3) Comptroller to be authorized to pay
2.11.45 advance of Rs 6500/- towards
expenses re. the deputation.

(4) Sanction for actual expn. incurred

Very Urgent.

THE RESIDENCY,

BANGALORE.

24th December 1944.

Proposed visit to Australia of a
small party of Indian industrialists.

Dear Mr. Madhava Rau

The Government of India is hoping to send a small party of Indian industrialists on a short visit to Australia in Jany. 1945. It is proposed that they should travel both ways by air and it is hoped that they will be the guests of the Australian Government during their stay in that country.

2. The party will not have the nature of a "Mission" and will not be concerned in industrial negotiation of any kind. The idea is, in the first instance, to establish friendly contact and mutual interest between India and Australia in the industrial field.

3. The party will be limited to six and the proposal has been made that one of them should be an industrialist to represent the Indian States. I have accordingly been asked to approach the Mysore Government with the request that the name of an industrialist from the Mysore State should be suggested for this purpose.

4. According to present arrangements the party will leave for Australia about the third week of Jany. For that reason it is most necessary that the name of the industrialist selected by the Mysore Government should be forwarded to the Government of India at the earliest possible date. Since I am leaving on a short Xmas holiday on the evening of the 27th Decr. I would very much appreciate ^{it} if I might have your reply in sufficient time to enable me to forward it on to Delhi before I leave Bangalore.

Yours sincerely

Pradhanasiromani

Dear Colonel Gaisford,

I have received your D.O. letter No. 466-44/G&A. dated the 24th December 1944 on the above subject.

As you are aware, we have a number of officers in our Government Service who have ~~had~~ gained valuable experience in the management of industries. Of these either of the officers mentioned below might be selected for deputation to Australia:-

1. MR. B. VISWANATH, B.E.,
Director, Engineering
and Chemical Industries.

Is an Engineer long associated with the Iron and Steel Works, Bhadravati, of which he is now Vice-Chairman. He is also Chairman of the Mysore Chemicals and Fertilisers, Ltd. and the Mysore Kirloskar Coy., Ltd. Other concerns in his charge are -

The Mysore Soap Factory.
The Mysore Implements Factory.
The Industrial and Testing Laboratory.
Lac and Paint Works.
Dichromate Factory.

2. MR. E.V. GANAPATI IYER,
B.Sc.,
Controller of Civil
Supplies.

Has been associated with Chemical/ Pharmaceutical industries, manufacture of silk fabrics, soap, electrical goods, porcelain and glazed earthenware.

Is temporarily in charge of the duties of Director, Indian Institute of Science during the absence of Sir J.C. Ghosh on deputation abroad.

If the person to be deputed is to be a non-official, I recommend Mr. S.M. Ramakrishna Rao, son of Mr. S.L. Mannaji Rao who is a Member of the Mysore Legislative Council and a prominent businessman of Bangalore. Mr. Ramakrishna Rao is a Graduate of the Madras University and has been connected with yarn business and textile industry for the last 7 or 8 years. He is managing the Jayalakshmi Textile Mills at Coimbatore of which his father is the owner. He has established business contacts both in the State and outside.

Yours sincerely,

(sd.) N. MADHAVA RAU.

from the Consulate.

The Government of India is hoping to send a small party of Indian industrialists on a short visit to Australia in January 1915. It is proposed that they should travel both ways by air and it is hoped that they will be the guests of the Australian Government during their stay in that country.

2. The party will not be of the nature of a "Mission" and will not be concerned in industrial negotiation of any kind. The idea is, in the first instance, to establish friendly contact and mutual interest between India and Australia in the industrial field.

3. The party will be limited to six and the proposal has been made that one of them should be an industrialist to represent the Indian side. I have accordingly been asked to approach the Mysore Government with the request that they send one of their industrialists from the Mysore district to be selected for this purpose.

4. According to present arrangements the party will leave for Australia about the first week of January.

Bangalore,
8th January, 1945.

Dear Mr. Noronha,

I invite your kind reference to your letter No.Pol.1448 dated the 6th Jany.1945 addressed to the Secretary to the Hon'ble the Resident in Mysore, Bangalore, and copied to me in your No.D.4372(1) dated the 6th January 1945. I enclose herewith a copy of the telegram received by me from Mr. Hydari care 'Incisup' New Delhi, for your kind information. Further action to be taken in this connection are noted below:

(1) i). Reply to Mr. Hydari's telegram:

I enclose herewith a copy of telegram sent to Mr. Hydari in this matter for favour of your information. As the time at my disposal is short, I do not consider it necessary to meet the High Commissioner of Australia, unless the Government of India consider it very necessary and important. I shall in any case await further communication from New Delhi on this point.

(3) ii). Action to be taken in regard to the Deputation:

I shall await further communication from Delhi regarding details. I shall however take action regarding obtaining passport at once.

(4) In case I have to pay a visit to the Australian High Commissioner at Delhi ~~or Calcutta~~, I request I may be permitted to go to Delhi and draw the necessary advance from the Comptroller to the Government of Mysore.

(5) Regarding the funds required for the trip to Australia it is not clear as to who will meet the charges. In letter No.466-44/68 dated 24-12-44 received from the Residency, it is mentioned that it is hoped that the delegates will be the

guests of the Government of Australia. In any case, it will be necessary to have funds of my own and I consulted the Financial Secretary to Government, who suggested that I might take an advance on the basis of estimates of funds required and then the advance may be adjusted after my return having regard to the actual expenditure incurred. In drawing up the estimate, I have figured that I shall be requiring £4.0.0 per day for expenses, as I understand that the cost of living in Australia is very much more than in England. The air passage has been estimated at £100.0.0 each way. Accordingly, the funds required will be:

For two months (estimated duration	
of the deputation)	£240.0.0
Air Passage to and fro.	£200.0.0
Equipment.	£ 50.0.0

Total,	£490.0.0

or, Rs.6,500/-
=====

6) Regarding the scale of allowances to be sanctioned, I request that I might be paid actual expenditure as it is not possible for me to estimate the expenditure in these disturbed conditions and in which may be included a sum of £50 (Fifty) towards the cost of equipment for the trip.

(1) iii). Arrangements to be made for my work:

The Government Industrial concerns placed in my charge may be entrusted to Dr. K. A. N. Rao, who is proposed to be appointed Deputy Director and he may be placed in charge of my current duties. I have consulted him and he expressed no difficulty to be in charge of the current duties in addition to his duties connected with the Board of Scientific and Industrial Research.

Regarding the Mysore Chemicals and Fertilisers Ltd., Government may order other arrangements or leave the matter to be settled by the Board of Directors of the Mysore Chemicals and Fertilisers Ltd. I do not think any arrangement is necessary for the Mysore Kirloskar Ltd., where there are Managing Agents who can manage the work.

(9) Summarising orders are solicited on the following points:
i). If a trip to New Delhi is considered necessary by the Government

of India, I may be permitted to make this trip, the Comptroller to Government being authorised to make an advance of Rs.600/- to be adjusted after the trip is made;

ii). To authorise the Comptroller to pay me an advance of Rs.6,500/- towards the expenses in connection with the deputation to Australia and back;

iii). To sanction actual expenditure incurred, limiting the Daily allowance to £.4.0.0 (four) per day and a sum of £50/- towards the equipment charges and allow travelling allowances to the airport according to the Mysore Service Regulations and actual air passage charges.

iv). To order that Dr. K. A. N. Rao may be placed incharge of my current duties in respect of the Government Industrial concerns,

and v). To order arrangements for carrying on my work in the Mysore Chemicals and Fertilisers Ltd.

Yours sincerely,

C. E. Noronha, Esq., M.A.,

His Highness the Maharaja of Mysore, Dev. Deptt.

December 24, 1944.

My dear Dewan Sahib,

As you are aware, His Highness the Nawab Ruler of Bhopal as Chancellor, and the Standing Committee of Princes have been repeatedly urging on the quarters concerned the desirability of according due representation to the States on Indian Delegations to international conferences and on the Industrial Missions to foreign countries. These efforts partially bore fruits just before the resignations of the Chancellor and the Standing Committee. The Political Secretary informed the Chancellor that it had been decided to include an industrialist from the States on the proposed mission to Australia, and invited His Highness as Chancellor to suggest a name. His Highness took up this question at the last meeting of the Standing Committee of Princes and recommended that Mysore might be invited to suggest an industrialist for this purpose in view of its leading position in the industrial sphere.

As the Chancellor has since resigned, I understand that the Political Secretary has already addressed you on the subject. I am circularising the States to suggest any points on which they may desire information or assistance, through this representative on the Industrial Mission for Australia, and would send them to you in due course. In the meantime, I am desirous to request you kindly to intimate the name and address of the gentlemen selected. Please also ask him to suggest to me any points on which he may desire information regarding the States which may be of assistance to him in Australia. I will send him whatever literature we have which may be of use. When is he likely to leave for Australia and how long will he be there?

Kind regards,

Yours sincerely,

(sd.) Maqbool Mahmood.

Reply of the Dewan (dated 29th Dec. 1944) to the letter of the 24th Dec. 1944 from the Secretary, Chamber of Princes *Reply sent by the Dewan on 18/1/1945*

I am in receipt of your letter of the 24th Dec. As desired by the Political Department, I have suggested alternatively the names of two officers and one non-official industrialist for inclusion in the proposed mission to Australia. As soon as we hear finally in the matter I shall let you know. Meanwhile, it would be an advantage if you could send me any literature or suggestions which might be useful so that I might pass them on to the delegate as soon as he is finally chosen.

Reply sent on 18.1.45

In continuation of my letter No. C.H. 381, dated the 29th Dec. 1944 regarding the proposed visit to Australia of a small party of Indian industrialists, I write to inform you that intimation has been received that Mr. B. Viswanath, Director, Engineering and Chemical Industries, Bangalore, has been included in the party to represent the Indian States. The exact date of the departure of the party is not yet known but it is understood that they will leave before the end of this month. If you are sending any literature or suggestions, I shall pass them on to him.

For Secretary to Government,
Development Department.

Copy of letter dated 24th Dec. 1945 from Mr. Macbeol Mahmood, Secre
to His Highness the Chancellor, Chamber of Princes, to the Dewan of Mysore

As you are aware, His Highness the Nawab Ruler of Bhopal as Chancellor and the Standing Committee of Princes of Princes have been repeatedly urging on the quarters concerned the desirability of according due representation to the States on Indian Delegations to international conferences and on the Industrial Missions to foreign countries. These efforts - partially bore fruits just before the resignations of the Chancellor and Standing Committee. The Political Secretary informed the Chancellor that it had been decided to include an industrialist from the States on the proposed mission to Australia, and invited His Highness as Chancellor to suggest a name. His Highness took up this question at the last meeting of the Standing Committee of Princes and recommended that Mysore might be invited to suggest an industrialist for this purpose in view of its leading position in the industrial sphere.

As the Chancellor has since resigned, I understand that the Political Secretary has already addressed you on the subject. I am circulating the States to suggest any points on which they may desire information or assistance, through this representative on the Industrial Mission for Australia, and would send them to you in due course. In the meantime, I am desirous to request you kindly to intimate the name and address of the gentleman selected. Please also ask him to suggest to me any points on which he may desire information regarding the States which may be of assistance to him in Australia. I will send him whatever literature we have which may be of use. When ~~he~~ is he likely to leave for Australia and how long will he be there?

Kind regards,

B. VISWANATH. B.E.

Sir,

With reference to G.O.No. D.47623/I.&.C.
391-44-3, Dated 23-1-1945, regarding my visit to
Australia, I have made the following arrangements
for work in the Mysore Chemicals & Fertilisers, Ltd:-

1. I have addressed a letter to the Banks
stating that Mr.H.K.Ramiengar, Secretary
& General Manager, Mysore Chemicals &
Fertilisers, Ltd., will sign all cheques
for the Chairman, during my absence, and
operate No. 1 account with them, and I
have also sent them his specimen signatures.
2. There is no necessity to call for any
Meeting of the Board of Directors during
my absence as there are no subjects for
consideration.
3. Should any occasion arise to consult the
Directors, regarding the purchase of the
Duplication Plant in America, I instructed
Mr.Ramiengar, to call for a Meeting of
the Directors, which may be presided over
by the Development Secretary.

I have the honour to be,

CEYLON,

Dear Mr. Voronka,

I arrived here in the
4th evening with the rest of the party, and have been
waiting since then for a plane to Australia.
The service has been affected due to weather
conditions, and all passengers to Australia
have been held up here. After the service was
restored, passengers are being sent in, basis
priority. We hold Class 2, and we expect to
leave tomorrow all going well.

I took Rs 5000 advance, in which

I have spent Rs 120/- in Bangalore, Rs 4666 $\frac{4}{3}$ was
converted to £350, and I brought with me Rs 150/-
and the rest I had to leave behind. The
passage from B'lore to Calcutta has not been
paid for, and I hope it is free. I have
been delayed in Calcutta, increasing my hotel
bill, I have paid £260/- for air passage
to & from Calcutta, and have with me about
£80/-. This is insufficient, and I expect I
shall be requiring £150/- more. I shall
be obliged, if you will kindly arrange to
send £150/- to me - through the Australian
High Commission. ~~With~~ Here is my note

D.O.No. 3421

92391-44-13 6291
BANGALORE
Dated 12th April, 1945

Dear Mr. Noronha,

I invite your kind reference to G.O.No.D.4762-3/I & C.391-44-3 of 23rd January 1945, sanctioning, among other things, my visit to Bombay for meeting the Australian High Commissioner in connection with the Indian Industrialists' Delegation to Australia.

The Australian High Commissioner telegraphed to me on the 19th January 1945 requesting me to meet him on 22nd January 1945 at Bombay. As there was no accommodation available to Bombay via Guntakal (which is the shortest route to Bombay) both on the forward and return journeys, I had to perform the journeys via Harihar.

The Comptroller to Government in his Memo No. N.T.8296 of 23rd February 1945 has disallowed my claim for the journey to Bombay and back via Harihar as there is no sanction of Government for admitting a costlier and longer route.

In the above circumstances, I request you to kindly obtain sanction of Government for my journey to Bombay and back, via Harihar.

Thanking you,

Yours sincerely,

B. Viswanath
